

Whole Grain Summit 2015 – Abstract Submission Guidelines

Please use 11pt Arial font for abstracts and upload as Word file:

Title

Please keep title short (<125 characters with spaces) and appealing. Those titles that have been return-ended or are longer than 125 characters with spaces will be truncated.

- Most words in the title should be titlecase, except for articles and prepositions, which should be lowercase. The first word of a subtitle should always be capitalized (even if a, an, the). For example: **Whole-Grain Messages: How to Reach Youth during After-School Programs.**

Authors

First name, middle initials if required, and surname with no full stop at the end. Underline the name of the corresponding author. A comma should separate author names. Where authors are from a number of different institutions, the appropriate institution number from the affiliation list should be given as a superscript number immediately after each author's name, e.g.:

John Smith¹, Susan Jones², Bill Fisher³

Affiliations

Affiliations should include department, institute, town and country. Where there are multiple affiliations, each should be listed as a separate paragraph. Each institute should appear in the order used against the author names (see above paragraph) and show the appropriate superscript number, e.g.:

¹Department, University, Town, State, Country, Zipcode, USA

²University, Town, State, Postcode, UK

²Company, Town, State, Canada, Postcode
